To,

GENERAL SECRETARY 17 DEC. 1935

The General Secretary
to the Government of His Highness the
Maharaja of Mysore, Bangalore.

Sir,

In forwarding herewith an extract from the proceedings of the meeting of the Mysore Medical Council held on 4th November 1935 for the amendment of rules 7 (5) and 8 of the rules for subsequent elections made by Government in their order No. G. 3741/Med. 249-31-9 dated 23-11-32, I have the honour to state that rule 7 (5) requires that all blank voting papers should be sent to the elector by registered post. Seeing that there are nearly 600 practitioners on the register the application of this rule involves a recurring expenditure of about Rs. 112/- on service labels out of the funds of the Medical Council. Postal registration of blank voting papers may conveniently be dispensed with and the Council accordingly proposes an amendment of the existing rule by omitting the word "registered".

In rule 8 of the rules for subsequent elections it is stated that "the elector desirous of recording his vote shall send his voting paper by Registered Post to the Returning Officer after recording his vote thereon in the manner prescribed therein". In case the elector happens to be a local resident and chooses to send by a messenger or personally deliver his voting paper his vote would, under rule 8 become invalid. Besides in most cases, moffusal electors send their voting papers by ordinary post and thus unconsciously violate the provisions of rule 8. In order

D 3229

In order to avoid the eliminationof votes on this technical ground and to render the elections fully representative an amendment is proposed for adding the word "preferably" before "by registered post".

I request that you will be so good as to obtain the sanction of Government to the adoption of the amendments and communicate the same to me at an early date, as the next elections are to be held in March 1936.

I have the honour to be,

Sir,

Your most obedient servant,

S. Subbarao.

President
Mysore Medical Council.

Subba for orders

1) A copy of the Rules asked to is sent with & flagged V

PM. CB. 18-12-35

2) As regards amendment of Rule 7(5) the omission of the word "Registered" may be agreed to on financial grounds but unless some provision is made to see that Voting papers are actually posted in time there is going to be a good deal of complaint both on the part of voters to the effect that they did not receive the Voting papers at all and even if they send them, that they were not received in time. The Returning Officer might say that he had the Voting papers duly despatched but some documentary evidence will be necessary to show that they were really despatched & punctually also. To ensure this at least a certificate of posting should be obtained & kept by the Returning Officer. If this is affirmed Rule 7(5) may be modified by omitting the word 'Registered' and adding at the end "a certificate of posting being duly obtained".
